(1) All our publications are computer composed and in house printed on high-tech web offset rotary machines. (2) Here is our latest media data along with advertisement tariff. (3) Our advertisement rates are quite competitive. (4) Our publications are recognized by State and Central Government and several public sectors, joint sector and private sector companies. (5) Western Times Morning Daily Gujarati & English editions published from Ahmedabad covers all districts/Talukas of Gujarat including Panchmahal, Zalamad, Sabarkantha, Kheda, Vadodara, Anand, Petlad, Valsad, Vapi, Himmatnagar, areas which have practically no organized and standard daily newspapers. Our Editions are strong local dailies having considerable impact in the town and villages of the areas. The dailies are reach other districts in Western & South Gujarat and as such are accepted as representative state news media. (6) It is obvious the publications have substantial and in some respect exclusive media value for semi-urban and rural areas in many of these districts. We hope this media data would attract your attention, when you decide to release campaigns or casual advertisement in Gujarat region.
